Commander's Comment: CPT Jeremy D. Falanga

This has been a very successful and productive drill. Congratulations to SSG Meher, SSG Jones, SGT Walker, and CPL Falco for extending there service with the Louisiana Army National Guard and Alpha Company! I'd like to thank everyone for the success and participation in our first annual "Dining Out". It was a lot of fun and I am proud to say that all funding was raised from you getting out there and supporting the unit and its cause. Next drill we will be at Camp Beauregard finalizing prerequisites for Japan. It is important that everyone make this drill. Congratulations to PV2 Bolton for scoring a 298 on his APFT. This is the current high score for the company. I challenge you to bump him down. I'd like to welcome back PFC Kade Conner, and PVT Christopher Vercher from Basic, AIT, and RSP. Let's give them a warm welcome to the unit! Let's continue to stay focused on the recruiting mission and continue to build the force. Remember GRAP pays big bucks!! Have a Merry Christmas and a happy and safe New Year. EAGLE 6 OUT!!
