- PFC Derouchey, Joseph (31 Dec)

### Quote of the Month:

“We must have a superiority complex, Always ATTACK, never surrender.”

General Patton

### Commander’s Comments: 1LT Kevin McBride, Commander

The purpose of this drill is to complete the training tasks, and conduct a peaceful, relaxing family day. I expect to see the continued take charge attitude from the NCOs by teaching our young soldiers. Continue your efforts to recruit and retain soldiers for Charlie Company.

**ROCK 6 OUT!**
